Subject: Fwd: Re: Street Lights on Sepulveda Blvd in DowntownWestchester

All is good as far as I know.

I haven't heard from y'all about DWP and the failure to cross Sepulveda.
Is there any follow up with that?

Best,
Jim

Hello Jim,

This request for a light outage was repaired last night. We have made the necessary
repairs to the service feed point. All of the lights were operating normally.

Thanks,

Jeffrey Ziliotto
Assistant Division Manager
Field Operations Division
PW/Bureau of Street Lighting
